

TITSEY TRAIL 10K – COURSE MAP

The start/finish is adjacent to the CH symbol on this map, on a bridleway 100m south-east of the club house of Limsfield Chart Golf Club.

Red flags show marshalling points (15). The course goes in a clockwise direction (with the exception of the loop at the place identified by “Water Station”, which goes in an anti-clockwise direction).

The Water Station will supply water to runners at the 4.5km and 6.5km points. There will also be water available at the finish.
